PEKING CHINESE RESTAURANT

Welcome to Peking

We are the oldest established Chinese restaurant in Bath opening our doors in 1985. Regular visitors will tell you, the reason for our longevity and excellent reputation should hopefully become apparent from the moment you step inside. We are a family run independent restaurant originally from Hong Kong.

Our extensive menu, which offers a variety of specially selected dishes created from Cantonese, Szechuan and Peking cuisine. Old favourites such as sweet and sour, ginger and spring onion, mingle freely with the more exotic creations typified by our much-loved lobster and crab dishes. If there are any dishes that are not on the menu please do not hesitate to ask, we will try our best to provide what our customers want so they have the best oriental dinning experience possible.

Chinese food is one of the healthiest. At Peking we cook using a combination of fresh, simple ingredients cooked in as little oil as possible, retaining essential nutrients, minerals and vitamins. Most ingredients are locally sourced where possible, to give our customers the most delicious oriental experience.

We hope you can look forward to a warm welcome and genuine Chinese experience not soon to be forgotten.

Thank you again for choosing The Peking Chinese Restaurant.
